## MORTGAGE COUNSELING SUPPLEMENTAL INTAKE FORM

Consumer Credit Counseling Service provides mortgage counseling free of charge to all who request this service. CCCS depends on funding from various grant sources to offset the costs associated with providing this service. In order to continue receiving grant funds for these services, CCCS must collect the following information from you. Please take the time to fill this form out in its entirety. If you do not fill out this form, we may be unable to receive funding to cover the cost of the counseling session that we provide to you. Your cooperation is appreciated, and necessary so that we can continue to provide quality free services to our clients. **Please bring your most recent statement and/or correspondence from your mortgage lender with you to your appointment.**
